### **Minimum purchase of 4 like items for award pricing.**

We build all of our products in our workshop located in Aubrey, Texas paying close attention to every detail. Using the best hides available, stainless steel hardware, quality conchos, and Swarovski rhinestones, our tack is built to last. All edges are smooth and hand dyed. Our tack is flashy and fun, but function is our number one priority.

Awards come on our standard tan bridle leather. Chocolate or black is available upon request. Straps on tack will be made from the same color leather.

Lettering: We offer a wide selection of fonts for your club personalization. We do not have a limit on the number of letters you can use. You are limited only by space. Some fonts are not suitable if you have several long words. Some fonts do not look good on particular backgrounds, we will gladly recommend fonts to match your award style. Lettering must be the same on each award.

Designs available: We offer many designs for awards. **You must have at least 4 awards in the same design style to qualify for award pricing.** If hide option is selected, hide choice must be the same for all awards in group of four, or we will give you a mix of our most popular hides. We can do a mix for female recipients, male recipients, or unisex recipients.

All bronc halters are on our standard high quality antique dot hardware black halters. Colors are usually available on request. Rope halters are standard black halters with a lead rope attached. Colors are usually available on request.
